

§329.6. Licensure by Endorsement – Adopted to be effective March 1 2015

Summary of Amendment: The amendment revises language in (d) by eliminating reference to a two year work history for provisional licensure in order to comply with legislative changes during the 83rd Legislature.

§329.6. Licensure by Endorsement.

(a) Eligibility. The board may issue a license by endorsement to an applicant currently licensed in another state, District of Columbia, or territory of the U.S., if they have not previously held a permanent license issued by this board.

(b) Requirements. An applicant seeking licensure by endorsement must:

- (1) meet the requirements as stated in §329.1 of this title (relating to General Licensure Requirements and Procedures);
- (2) provide a score report for the National Physical Therapy Examination sent directly to the board by the board-approved reporting service, or scores on the Registry Examination sent directly to the board by the American Physical Therapy Association. The score reported must have satisfied requirements for licensure in a state at the time the applicant took the exam; and
- (3) provide verification of license from every jurisdiction in which the applicant has held or still holds a license, sent directly to the board by the issuing jurisdiction. The board may accept web-based verification in place of verification sent by another jurisdiction if the board is satisfied that the applicant's license(s) is/are valid.

(c) Licensure of a Military Spouse. The board will expedite the issuance of a license by endorsement to a spouse of a member of the U.S. armed forces on active duty. The applicant must provide official documentation of the active duty status of the spouse.

(d) Provisional licensure. The board may grant a provisional license to an applicant who is applying for licensure by endorsement if there is a delay in the submission of required documents outside the applicant's control. The applicant must submit the provisional license fee as set by the executive council. The board may not grant a provisional license to an applicant with disciplinary action in their licensure history. The provisional license is valid for 180 days, or until a permanent license is issued or denied, whichever is first.
